

Our February Monthly Theme is:

THE HUMAN BODY

The children love to learn about "The Human Body." We will have lessons in class about the five senses, the important organs in the body, the brain and other parts of the body. Our teachers will also talk about the way we fuel our bodies and the importance of good nutrition and healthy eating. Please feel free to send in any books or other materials on this subject or contact your child's teacher if you would like to give a special lesson to your child's class.

VALENTINE'S DAY CELEBRATION

This year Valentine's Day falls on Tuesday, February 14th. Each class will have a small celebration on that day starting about 10:30 am. We ask that each child bring in Valentines for his or her classmates that are signed by your child (you may help with this!). The envelopes should not be addressed. We will help the children to distribute the cards.

If your child does not normally attend school on a Tuesday, you may switch attendance for another day that week, or you may bring your child in for the party at 10:30.

Each classroom teacher will place a sign-up list on her door for parents to volunteer to bring snacks or drinks. If you would like to sign-up for an item, please be sure to place your name on the list.

PICTURE DAY IS FEBRUARY 8TH!!!

We have placed in each child's cubby instructions and an envelope for individual and class pictures that will be taken on Wednesday, February 8th. Please be sure to return the envelopes and payment on or before that date. Also, if your child does not normally attend school on that day, you may switch attendance for another day that week, or bring your child in for the pictures.

Pictures start at 9:00 am! Please be sure to bring your child to school on time that day!!!

A FEW REMINDERS...

1. Check out our Snow Day information in our January Newsletter.
2. Dress your children warmly and appropriately for cold weather.
3. Keep your child home if she or he shows and signs of illness or had a fever within the previous 24 hours.
4. Notify us of any changes in emergency or other contact information.
5. Send in your 2012-13 School Year Registration Forms.
6. Send in scrap paper to be used by children for coloring, drawing, etc.
7. Send in plastic bags to use for soiled clothing or other items to return to our families.
8. Bring your child to school on time!

THANK YOU!!!
